

Flutterby Petite™

makes a great buddleja

groundcover

Buddleja Flutterby Petite Blue Heaven

More compact than any buddleja cultivar on the market, the Flutterby Petite series is a low and spreading variety with much less viable seed. This free-flowering, noninvasive series is available in a range of colors exclusively from Ball Ornamentals.

Outstanding Ball Ornamentals for a more profitable product line. Call 888 426-7478 or visit ballornamentals.com
